Prof. Chandra Sekhar Seelamantula Organising Chairperson, GATE 2024 On behalf of NCB-GATE Ministry of Education (MoE)

57d1971805329ee96ac8b4bdc223cf9e

A candidate is considered **qualified** if the marks secured are greater than or equal to the qualifying marks mentioned for the category, for which a valid category certificate, if applicable, must be produced along with this Score Card.

This Score Card is valid up to 31st March 2027.

#### **GATE SCORE COMPUTATION**

The GATE 2024 score is calculated using the formula

GATE Score = 
$$S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

#### where

M is the marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

M<sub>a</sub> is the qualifying marks for general category candidates in the paper

 $M_{\tilde{t}}$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of all the candidates who appeared for the test paper

 $S_a = 350$ , is the score assigned to  $M_a$ 

 $S_{+}^{3}$  = 900, is the score assigned to  $M_{+}^{3}$ 

 $M_q$  is 25 marks (out of 100) or  $\mu$  +  $\sigma$ , whichever is greater. Here,  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared for the test paper.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

Graduate Aptitude Test in Engineering (GATE) 2024 was organised by Indian Institute of Science, Bengaluru, on behalf of National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
